West Columbia, W.Va. – Although several species of conifers and hardwoods have sold out at Clements State Tree Nursery, there are plenty of species left to choose from.

Various species of pine, oak, dogwood and hickory are available as well as Norway spruce, sugar maple and Douglas fir. Prices range from \$.15 per tree to \$1 per tree, depending on the number of seedlings ordered. There is a 20 percent discount offered on orders of 5,000 or more.

Seedlings can be planted for future Christmas trees, to improve habitat for wildlife, control erosion and improve the environment.
